

# The TeamCare Proposed Healthcare Plan

## Formerly Sun Country Airlines Pilot Group

# We're excited to introduce you to TeamCare!

## Delivering better healthcare over the long haul.

TeamCare is a national health plan that provides medical, pharmacy, vision, dental, and other benefits to 520,000 Teamster family members, from small regional companies to nationally known companies like Allegiant Airlines, UPS, ABF, US Foods, Miller Brewing, and a host of other national employers across this great country.

We are a multi-employer Health Fund (Taft-Hartley) with 1,100 contributing employers, governed by an elected Board of Trustees with equal representation from our participating unions and employers.

## We'll be here...waiting for the green light.

TeamCare is a 3<sup>rd</sup> party to your contract negotiations. If negotiated and approved by the membership, TeamCare would be your healthcare benefits provider. You can rest easy, as TeamCare has been providing union members with benefits for over 75 years.

If TeamCare becomes your healthcare benefits provider, we will work with the Teamsters and the membership to ensure a seamless transition from your current health plan to TeamCare.

## You deserve the best doctors and we deliver.

TeamCare's extensive networks give our members access to nearly every hospital and doctor. Because TeamCare utilizes the nationwide BlueCross BlueShield PPO network, the largest in the country, members will not need to change doctors or hospitals. Don't take our word for it—visit **MyTeamCare.org** and click on the *Find a Provider* link and check for yourself.

## TeamCare...the low deductible and better benefit Plan

If TeamCare is negotiated your health benefit plan will be improved for you and your family. Under TeamCare, your deductible and your out-of-pocket costs will be lower than your current plan. TeamCare is far superior than offered by many other insurers—including your current carrier.

### **Proposed TeamCare Plan Highlights Include:**

- Low deductible
- Low out of pocket limit
- Lower payroll deductions
- Low copay for physician office visit
- You pay nothing for Wellness Benefits
- You have no copay for immediate care at CVS MinuteClinic
- You pay nothing for Outpatient Lab through QuestSelect
- You pay nothing for Advanced Imaging Benefits through USIN
  - For MRIs, CT, and PET scans
- You pay nothing for telemedicine visits through Teladoc Health
  - For 24/7 medical care, dermatology, diabetes management, and mental health visits

## Prescription Coverage

With TeamCare, prescriptions can be filled at over 68,000 national and independent pharmacies across the nation that participate in the CVS Caremark Network. These include Walgreens, Duane Reade, Costco, Rite Aid, Target, Kroger, Jewel-Osco, CVS, and many others.

- Under our retail pharmacy program, TeamCare members pay a 25% copay for short-term prescription fills and non-maintenance medications
- Under CVS Caremark Mail Service Pharmacy or Maintenance Choice, TeamCare plan participants pay a 20% copay for a 90-day supply
- TeamCare plan participants can receive a 90-day supply of medication at a local CVS pharmacy or Kroger store under Maintenance Choice

# Vision and Dental Coverage

TeamCare understands the importance of vision and dental benefits, which is why they are included with Plan MI. With TeamCare, your cost for in-network vision benefits is a \$10 copay. For that \$10 copay, you will receive an eye exam, standard lenses, and a pair of frames—with up to a \$150 allowance every 12 months.

Benefits under TeamCare Vision will include access to EyeMed Vision Care's national network of providers. The national network includes such familiar names as Pearle Vision®, LensCrafters®, Target Optical®, and many other independent providers.

In addition, TeamCare provides a comprehensive dental and orthodontic benefit. Whether it is a routine cleaning, a child's first cavity or more serious dental concerns, the TeamCare Dental Benefit will help take the ache out of your wallet. TeamCare members enjoy a generous annual dental maximum of \$2,500 per person and a \$2,500 per child orthodontic benefit.

## ...but wait, there's more!!!

Please review the Plan Benefit Profile for Plan MI which is available at [MyTeamCare.org/forms-and-documents](https://www.MyTeamCare.org/forms-and-documents) for detailed information on all the potential healthcare benefits.

## TeamCare Family Protection Benefit helps when you really need it.

Bad things do happen to good people. In the event of a TeamCare member's death, their family may be eligible for five years of continued TeamCare coverage at no cost—a **\$100,000 value**. The TeamCare Family Protection Benefit is a unique and unmatched benefit that offers employees "peace of mind" when they need it most.

With most plans, a family's health benefits come to an end when the member dies. The only way to continue coverage is to make COBRA self-payments. This can be very expensive and cost-prohibitive for a family—especially at a difficult time.

However, through exclusive use of TeamCare medical providers for all non-emergency care, TeamCare members can count on continued healthcare coverage under the Family Protection Benefit for five additional years—at no premium cost.

## We're here for YOU.

At TeamCare, we are here to help by delivering better healthcare over the long haul. For over 75 years, TeamCare has been synonymous with service.

Every day we recognize the responsibility to provide generous healthcare benefits for our members. We strive to positively impact the quality of life for our participants and their families with dedication and integrity.
