If the above requirements are met, the individual will be eligible for this Plan effective on his 57th birthday.

 - (2) The individual has worked at least twenty years under the terms of a Collective Bargaining Agreement negotiated by an affiliate of the

Teamsters. In the case of a Bargaining Unit joining the Active Fund as a new group, all employment with that employer prior to the date the group joined the Active Fund shall be considered toward the fulfillment of the twenty year requirement provided that the classifications worked in subsequently required that contributions be submitted to the Active Fund.

- (f) An individual who is eligible to defer his pension benefit, subject to the rules set forth in the Central States Pension Fund Plan Document, may also be considered a Covered Participant of this Plan under the provisions of 3.01(a), (b), (c) and (d). Eligibility for this Plan shall be determined as follows:

Eligibility rules subject to the provisions of 3.01(a), (b), (c) and (d) will be applied at the time of deferral or when the individual leaves covered employment, whichever is later. Individuals under a Central States plan that provides (a) for retiree health plan benefits and/or (b) for which a Contribution Benefit has been paid on the Participant's behalf, must defer to at least age 57 in order to qualify for this Plan's Benefits. Once eligibility has been established, this Plan's Benefits will begin when pension benefits begin.

- (i) The Fund may, at its discretion, waive the requirements set forth in 3.01(a)(2), 3.01(b)(2), and 3.01(c)(2) for individuals who fail to satisfy these requirements solely because of a forced transfer of employment into or out of the geographical jurisdiction of the Fund, a change or dispute over union jurisdiction, or some similar event beyond the control of the individuals involved.
- (j) Participants who change employers and become covered by the C6 Active Plan or whose employers change health plans to the C6 Active Plan must have at least forty (40) or fifty two (52) weeks of coverage in the 12 months subsequent to moving to the C6 Active Plan, in addition to meeting all other eligibility requirements, to receive coverage under the C6 Retiree Plan provisions.

- (k) Self-payments made to the Central States' Pension Plan subsequent to the participant's employer's termination in the Pension Plan for any reason shall not be included in Contributory Service utilized for determination of retiree eligibility.
- (l) No individual shall be qualified as a Covered Participant eligible for Coverage under this Plan if he loses his otherwise available minimum Active Plan Coverage credit (which is described elsewhere in this section as a prerequisite for Coverage under this Plan) as a result of a Voluntary Withdrawal from the Active Fund, in the following circumstances:
 - (1) if the date of a Voluntary Withdrawal is prior to September 11, 2002, and if the individual requesting Coverage under this Plan was, on the date of the Voluntary Withdrawal, a member of the withdrawn Bargaining Unit and is still employed by the same Employer ("the withdrawn Employer") six months after the date of the Voluntary Withdrawal, the Fund will exclude all of the individual's credit for Active Plan Coverage based upon his employment at any time by any Employer in determining the individual's eligibility for Coverage under this Plan; and
 - (2) if the date of a Voluntary Withdrawal is on or after September 11, 2002, the Fund will exclude all of the individual's credit for Active Plan Coverage (to the extent such credit is based upon the individual's employment by the withdrawn Employer at any time before or after September 11, 2002) in determining the individual's eligibility for Coverage under this Plan if:
 - (A) the individual was employed by the withdrawn Employer on the date of the Voluntary Withdrawal; or
 - (B) the individual was ever employed by the withdrawn Employer at any time prior to (but not on) the date of the Voluntary Withdrawal (including employment prior to September 11, 2002) and the individual's final Active Plan Coverage as of his Date of Retirement (before or after September 11, 2002) was or is based upon employment by the withdrawn Employer; provided that an individual whose eligibility for Coverage under this Plan is terminable by application of this subsection (l) (2) and who, as of the date of the Voluntary Withdrawal (on or after September 11, 2002), has already been acknowledged by the Fund to be a Covered Participant eligible for Coverage under this Plan will be allowed to provide to the Fund, within a time period established by the Fund, a timely written election for continuation of that Coverage in exchange for a required full Self-Payment in an amount established by the Fund.

3.02 QUALIFICATIONS AS A COVERED DEPENDENT

- (a) This Plan provides Coverage only for the Dependent Spouse or Qualified Same-Sex Domestic Partner of a Covered Participant.

- (c) A Covered Dependent will not be eligible for Coverage if the Covered Participant has elected to defer Coverage under the provisions of Section 3.03.

3.03 COMMENCEMENT OF COVERAGE OF A COVERED PARTICIPANT

A Covered Participant shall participate in, and have coverage under, this Plan commencing on the date on which the conditions and qualifications of Section 3.01 are satisfied and on which he or she is no longer covered by an Active Plan, except that there shall be no Coverage of the Covered Participant under this Plan if, on his or her Date of Retirement, he or she is already 65 years of age and/or is entitled to Medicare benefits. A Covered Participant whose application for retirement benefits under a Teamster Related Pension Plan is approved, after the date on which he is no longer covered by the Active Plan shall, upon such approval, have Coverage under this Plan commencing on the date on which coverage by the Active Plan ended or on his Date of Retirement, whichever is later, except that there shall be no Coverage of the Covered Participant under this Plan if, on his or her Date of Retirement, he or she is already 65 years of age and/or is entitled to Medicare benefits. Coverage of a Covered Participant shall be contingent on compliance with such Self-Payment requirements and procedures as are established by the Fund from time to time.

On or after August 1, 2008, a Covered Participant may elect on a one-time only basis to defer the start date of his Coverage under this Plan beyond his retirement date or age 57, whichever is later, or to suspend his Coverage once after his Coverage has commenced, provided the following conditions are met:

- (1) The Covered Participant has met the eligibility rules stated in Article 3.01 above, and
- (2) The Covered Participant provides documentation to the Fund that he has coverage under Other Insurance.

A Covered Participant may start his Coverage again after a deferral period as provided for in this Section 3.03 upon the occurrence of a HIPAA Qualifying Event.

3.04 COMMENCEMENT OF COVERAGE OF A COVERED DEPENDENT

The Spouse or Qualified Same-Sex Domestic Partner of a Covered Participant shall be a Covered Dependent and shall participate in, and have Coverage under, this Plan (unless the Spouse or Qualified Same-Sex Domestic Partner is then already 65 years of age and/or entitled to Medicare benefits) commencing on the date on which the Covered Participant to whom he or she is married (or has a Qualified Same-Sex Domestic Partnership) first has Coverage under this Plan or, if later, the date on which he or she is first married to (or commenced a Qualified Same-Sex Domestic Partnership with) a Covered Participant (provided written notice is received by the Fund within 3 months of the marriage date or the commencement of the Qualified Same-Sex Domestic Partnership). The Spouse or Qualified Same-Sex Domestic Partner of an individual who would have become a Covered Participant on his or her Date of Retirement except that, on such date, he or she is already 65 years of age and/or is entitled to Medicare benefits, shall be a Covered Dependent and shall participate in, and have a maximum of 36 months of Coverage under this Plan (unless the Spouse or

Qualified Same-Sex Domestic Partner is then already 65 years of age and/or entitled to Medicare benefits) commencing on the date on which the individual (to whom the Spouse or Qualified Same-Sex Domestic Partner is then married or has a Qualified Same-Sex Domestic Partnership with) would have become a Covered Participant, provided that the Coverage of such a Spouse or Qualified Same-Sex Domestic Partner shall be classified as a Continuation Coverage elected by the Spouse or Qualified Same-Sex Domestic Partner and that the initial date of such Coverage shall be classified as a Qualifying Event, within the meaning and for all purposes of Sections 3.09, 3.10 and 3.12, and provided further that the Continuation Coverage of such a Spouse or Qualified Same-Sex Domestic Partner shall be terminated on the earliest of the termination dates specified in Section 3.15. Coverage of a Covered Dependent shall be contingent on compliance with such Self-Payment requirements and procedures as are established by the Fund from time to time.

On or after August 1, 2008, a Covered Dependent may elect on a one-time only basis to defer the start date of his or her Coverage under this Plan beyond Covered Participant's effective date Coverage, or to suspend his or her Coverage once after his or her Coverage has commenced, provided the following conditions are met:

- (2) The Covered Dependent provides documentation to the Fund that he or she has coverage under Other Insurance.

A Covered Dependent may start his Coverage again after a deferral period as provided for in this Section 3.04 upon the occurrence of a HIPAA Qualifying Event.

3.05 ELIGIBILITY OF INDIVIDUALS QUALIFYING FOR AN EXTENSION OF BENEFITS UNDER ANOTHER CENTRAL STATES ACTIVE PLAN

- (a) If a Covered Participant under this Plan would otherwise qualify for an extension of Basic Benefits under an Active Plan, he shall, as a condition of becoming a Covered Participant under this Plan, lose the eligibility for such extension of benefits.
- (b) If a Covered Participant under this Plan would otherwise qualify for an extension of Major Medical Expense Benefits under an Active Plan, he shall, as a condition of becoming a Covered Participant under this Plan, lose the eligibility for such extension of benefits.

- (a) the date the Covered Participant becomes 65 years of age;
- (b) the date such Covered Participant first becomes entitled to Medicare benefits under Title XVIII of the Social Security Act (42 U.S.C. § 1395, et seq.). (Provided however, that Coverage shall not terminate under this Plan solely because the

Participant has achieved his first date of entitlement to Medicare benefits as a result of a diagnosis of end stage renal disease (ESRD) under the terms and conditions referenced in 42 U.S.C. § 1395Y(b)(1)(c)(i), or during the 30 month period following the first month in which the individual first becomes so entitled to Medicare benefits on the basis of ESRD; for purposes of this Subsection (b) such period of entitlement to Medicare benefits shall be disregarded);

- (f) on the date the Covered Participant is engaged in restricted Reemployment as set forth in Section 10.17;
- (g) the date the Coverage of the Covered Participant terminates for any reason other than death or commencement of eligibility for Medicare benefits; or
- (h) the date of a Voluntary Withdrawal from the Active Fund of a Covered Participant's former Employer and Bargaining Unit on or after September 11, 2002, if
 - (1) the Covered Participant was ever employed by the withdrawn Employer at any time prior to (but not on) the date of the Voluntary Withdrawal (including employment prior to September 11, 2002) and the Covered Participant's final Active Plan Coverage as of his Date of Retirement (before or after September 11, 2002) was or is based upon employment by the withdrawn Employer; and
 - (2) the Covered Participant no longer has sufficient Active Plan Coverage credit to satisfy any minimum prerequisite for Coverage under this Plan after the Fund retroactively excludes all of his credit for Active Plan Coverage based upon employment at any time by that withdrawn Employer in re-determining his eligibility for Coverage under this Plan, provided that a Covered Participant whose Coverage under this Plan is terminable by application of this subsection (h) will be allowed to provide to the Fund, within a time period established by the Fund, a timely written election for continuation of that Coverage in exchange for a required full Self-Payment in an amount established by the Fund.

In addition to the above specified events that terminate Coverage, Coverage of a Covered Participant shall be terminated upon an election not to comply, or upon any failure to comply, with such Self-Payment requirements and procedures as are established by the Fund from time to time.

- (a) the date such Covered Dependent attains 65 years of age;
- (b) the date such Covered Dependent first becomes entitled to Medicare benefits under Title XVIII of the Social Security Act (42 U.S.C. § 1396 et seq.). (Provided however, that Coverage shall not terminate under this Plan solely because the Dependent has achieved his first date of entitlement to Medicare benefits as a result of a diagnosis of end stage renal disease (ESRD) under the terms and conditions referenced in 42 U.S.C. § 1395Y(b)(1)(c)(i), or during the 30 month period following the first month in which the individual first becomes so entitled to Medicare benefits on the basis of ESRD; for purposes of this Subsection (b) such period of entitlement to Medicare benefits shall be disregarded);
- (c) a maximum of five years after the Covered Participant's Date of Retirement if such Covered Participant dies prior to his 65th birthday;

- (h) the date of a Voluntary Withdrawal from the Active Fund of a Covered Participant's former Employer and Bargaining Unit on or after September 11, 2002, if
 - (1) the Covered Participant was ever employed by the withdrawn Employer at any time prior to (but not on) the date of the Voluntary Withdrawal (including employment prior to September 11, 2002) and the Covered Participant's final Active Plan Coverage as of his Date of Retirement (before or after September 11, 2002) was or is based upon employment by the withdrawn Employer; and
 - (2) the Covered Participant no longer has sufficient Active Plan Coverage credit to satisfy any minimum prerequisite for Coverage under this Plan after the Fund retroactively excludes all of his credit for Active Plan Coverage based upon employment at any time by that withdrawn Employer in re-determining his eligibility for Coverage under this Plan, provided that a Covered Participant whose Coverage under this Plan is terminable by application of this subsection (h) will be allowed to provide to the Fund, within a time period established by the Fund, a timely written election for

continuation of that Coverage in exchange for a required full Self-Payment in an amount established by the Fund.

In addition to the above specified events that terminate Coverage, Coverage of a Covered Dependent shall be terminated upon an election not to comply, or upon any failure to comply, with such Self-Payment requirements and procedures as are established by the Fund from time to time.

3.08 EXTENDED SPOUSE/QUALIFIED SAME-SEX DOMESTIC PARTNER COVERAGE

Extended spouse/Qualified Same-Sex Domestic Partner protection under this Plan provides an additional three years of coverage for the Covered Dependent when the Covered Participant turns age 65. Therefore, in the majority of cases, Covered Dependents will have coverage until the Covered Participant's 68th birthday or, if earlier, the date he/she turns 65, becomes eligible for early Medicare or remarries.

There are other events in which the Covered Dependent may also receive the extended coverage as follows. In all cases the extended Spouse/Qualified Same-Sex Domestic Partner coverage ends earlier than three years in the event the Covered Dependent turns 65, becomes eligible for early Medicare or remarries.

- (a) In the event the Covered Participant turns age 65:
 - Covered Dependent will receive extended coverage for up to three years.
- (b) In the event the Covered Participant becomes eligible for early Medicare after retirement:
 - Covered Dependent will receive the normal benefit until the retiree's 65th birthday.
 - Covered Dependent will also receive up to three years of extended coverage from the Covered Participant's 65th birthday.
 - Covered Participants who retire prior to age 57 and whose coverage is scheduled to start at age 57, but who qualify for early Medicare prior to their 57th birthday, are not entitled to coverage. However, the Covered Dependent will be entitled to three years of extended spousal or Qualified Same-Sex Domestic Partnership coverage beyond that date.
- (c) In the event the Covered Participant became eligible for Medicare before retirement and met all other qualifying rules:
 - Covered Dependent will receive extended coverage for up to three years from the Covered Participant's retirement date.
- (d) In the event the Covered Participant retires after his/her 65th birthday and has met all eligibility requirements at retirement date:
 - Covered Dependent will receive extended coverage for up to three years from the Covered Participant's retirement date.

- (e) In the event the Covered Participant dies prior to age 65:
 - Covered Dependent will get the greater of five years from retirement date or three years from death date.
- (f) In the event the Covered Participant dies before coverage is in effect:
 - Covered Dependent will receive up to three years of extended coverage starting from the Covered Participant's previously anticipated effective date (age 50, 55 or 57).

Termination of the Extended Spouse/Qualified Same-Sex Domestic Partner coverage is not a Qualifying Event to elect Continuation Coverage as described in Sections 3.09 to 3.14.

3.09 SPOUSAL (OR QUALIFIED SAME-SEX DOMESTIC PARTNERSHIP) RIGHTS AND REQUIREMENTS IN ELECTING TO CONTINUE INDIVIDUAL COVERAGE UNDER THIS PLAN

A Covered Dependent who would lose Coverage under this Plan as a result of a Qualifying Event, as defined in Section 3.10, is eligible to elect Continuation Coverage, as defined in Section 3.12, upon compliance with notice requirements and election procedures described in Sections 3.11 and 3.13.

3.10 DEFINITION OF QUALIFYING EVENT

For purposes of Sections 3.09 through 3.15 the term "Qualifying Event" means, with respect to a Covered Dependent, the following event which, unless there is an election of Continuation Coverage pursuant to Section 3.14 would result in a loss of Coverage of the Covered Dependent under this Plan:

- (a) The divorce or legal separation of a Covered Participant from the Covered Participant's Spouse or the termination or disqualification of a Covered Participant's Qualified Same-Sex Domestic Partnership.

3.11 NOTICE OF QUALIFYING EVENT

With respect to the Qualifying Event defined in Section 3.10, notice shall be provided in accordance with the following requirements:

- (a) General notice by the Fund -- at the time of commencement of Coverage of a Covered Participant under this Plan, the Fund shall provide written notice to the Covered Participant and his or her Spouse or Qualified Same-Sex Domestic Partner (if any) of their rights pursuant to Sections 3.09 through 3.15.
- (b) Specific notice by Covered Individuals -- within sixty (60) days after a Qualifying Event defined in Section 3.10 either the Covered Participant or the Covered Dependent shall provide written notice of the Qualifying Event to the Fund.

- (c) Specific notice by the Fund -- within sixty (60) days after notice of a Qualifying Event has been provided to the Fund in compliance with subsection (b) of this section, the Fund shall provide written notice of the Qualifying Event to the Covered Participant affected by the event (if living) and to his or her Spouse or Qualified Same-Sex Domestic Partner (if any).

3.12 DEFINITION OF CONTINUATION COVERAGE

For purposes of Sections 3.09 through 3.15 the term "Continuation Coverage" means, with respect to any Covered Dependent, a continuation of the same terms, conditions, limitations and exclusions of Coverage as are provided by the Fund to the Covered Dependent on the day before the date of a Qualifying Event, upon election pursuant to Section 3.13 and until termination pursuant to Section 3.15 provided that all modifications of such Coverage during any period of Continuation Coverage which are applicable to Covered Dependents with respect to whom a Qualifying Event has not occurred will be fully and equally applicable to Covered Dependents with respect to whom a Qualifying Event has occurred.

3.13 PROCEDURES TO ELECT CONTINUATION COVERAGE

After a Qualifying Event occurs and timely notice of the Qualifying Event is received by the Fund in compliance with Section 3.11(b), a Covered Dependent may elect Continuation Coverage by providing written election of Continuation Coverage to the Fund, in such form as the Fund prescribes, before expiration of the "election period." The "election period" begins on the date of the Qualifying Event and ends on the 60th day after the date of the Qualifying Event or, if later and if the Fund received timely notice of the Qualifying Event pursuant to Section 3.11(b), on the 60th day after notice of the Qualifying Event is provided by the Fund to the Covered Individual pursuant to Section 3.11(c).

3.14 SELF-PAYMENTS TO MAINTAIN CONTINUATION COVERAGE

If a written election of Continuation Coverage is provided to the Fund in compliance with Section 3.13, Self-Payments must be remitted to the Fund on behalf of the Covered Dependent on whose behalf the election is made, in order to maintain eligibility for Continuation Coverage. Self-Payments must be remitted for all periods of Continuation Coverage in such amounts, form and manner as the Fund prescribes, except that the Fund will not require any Self-Payments to be remitted prior to the expiration of 45 days after the initial written election of Continuation Coverage is provided to the Fund in compliance with Section 3.13.

3.15 TERMINATION OF CONTINUATION COVERAGE

If a written election of Continuation Coverage is provided to the Fund in compliance with Section 3.13, the Covered Dependent on whose behalf the election is made will be eligible for Continuation Coverage throughout the period that begins on the date of the Qualifying Event and ends on the earliest of:

- (a) The date, which is 36 months after the date of the Qualifying Event;

- (b) The date coverage would have ended if the Qualifying Event occurs while covered under the Extended Spouse/Qualified Same-Sex Domestic Partner Benefit;
- (c) The date such Covered Dependent attains 65 years of age;
- (d) The date which is 31 days after the date on which Self-Payments pursuant to Section 3.14 and related procedures are owed to the Fund but unpaid (unless such overdue Self-Payments are remitted to the Fund within such 31-day period);
- (e) The date on which the Covered Dependent first becomes, after the date of the election, covered (as an employee or otherwise) under any other employee welfare benefit plan providing medical care (as defined in Section 213(d) of Title 26 of the United States Code) to participants and beneficiaries directly or through insurance, reimbursement or otherwise, if such Other Plan does not contain any exclusion or limitation with respect to any preexisting condition of the Covered Dependent;
- (f) The date on which the Covered Dependent first becomes, after the date of the election, entitled to Medicare benefits under title XVIII of the Social Security Act (42 U.S.C. § 1396 et seq.); or
- (g) The date on which this Plan is terminated.

3.16 RESIDUAL COVERAGE OF FORMER COVERED PARTICIPANTS

In the remaining provisions of the Plan, the term “Covered Participant” shall be extended to include a Former Covered Participant, and the term “Covered Individual” shall be extended to include a Former Covered Participant and/or his Dependent Spouse or Qualified Same-Sex Domestic Partner during the period that such Former Covered Participant and/or his Dependent Spouse or Qualified Same-Sex Domestic Partner were eligible to receive benefits provided according to Plan provisions.

3.17 ELIGIBILITY FOR TEAMCARE SPOUSE/QUALIFIED SAME-SEX DOMESTIC PARTNER PROTECTION PLAN BENEFIT

A Covered Dependent shall be eligible, subject to the conditions described below, for a Spouse/Qualified Same-Sex Domestic Partner protection plan benefit, consisting of the extension of coverage of a Covered Dependent of a Covered Participant who dies, prior to age 65, while residing in an area covered by a TeamCare network or while recorded by the Fund as an enrolled participant of such network, (regardless of residence), for a maximum of five (5) years after the date of death. This benefit shall terminate upon the earlier of the following: acquisition of other health coverage, remarriage, Medicare eligibility or age 65. This benefit is subject to the following conditions:

- (g) Rhytidectomy (face lift);
- (h) Dyschromia (tattoo removal); and
- (i) Genioplasty (chin augmentation).

4.09 EXCLUSION OF PAYMENT FOR TREATMENT OTHERWISE COVERED UNDER THE SOCIAL SECURITY ACT

A Covered Individual shall not be entitled to payment for any charge incurred for treatment or service to the extent that such charge is covered or provided by the Social Security Act as amended, except as provided in Article V.

4.10 EXCLUSION OF PAYMENT FOR TREATMENT NOT RELATED TO ILLNESS, INJURY OR PREGNANCY

Except as otherwise provided herein a Covered Individual shall not be entitled to payment of a claim for Benefits unless the Covered Individual is ill, injured, pregnant or an organ transplant donor, and receives treatment, compensable under this Plan, related to the illness, injury, pregnancy or organ donation.

4.11 EXCLUSION OF PAYMENT FOR TREATMENT OF NON-COMPENSABLE PROCEDURES

A Covered Individual shall not be entitled to payment for any charge incurred for treatment of complications arising from the performance of any procedure not compensable under this Plan.

4.12 RESERVED FOR FUTURE USE

4.13 EXCLUSION OF PAYMENT FOR CERTAIN ITEMS

A Covered Individual shall not be entitled to payment for any charge incurred for sales taxes, surcharges, interest late charges, completion of any claim form or missed appointments.

4.16 LIMITATION ON ELIGIBILITY FOR COVERAGE OF CERTAIN ORGAN OR TISSUE TRANSPLANTS

Benefits for bone marrow, heart, kidney, liver, lung and pancreas transplants, including all related services, are payable only if the recipient provides requested documentation for consideration by the Fund's medical consultants on a pre-admission basis. Such documentation will include, but may not be limited to, written opinions by Physicians associated with the case testifying to the following:

- (a) Absence of significant co-existing morbidity;
- (b) Evidence of medical suitability of candidate for transplantation;
- (c) Criteria for patient selection is in agreement with published medical literature;
- (d) Alternative procedures, services or courses of treatment are not effective or available; and
- (e) Facility and physicians involved in transplant services have appropriate approval by regulatory agencies and from internal authorities.

After consideration by the Fund's medical consultants, each case will be brought to the Trustees for their review. No organ or tissue transplant proposed for coverage under this Section will be

payable unless there is prior approval by the Trustees following their consideration of the circumstances of each case.

The Fund's financial responsibility for Hospital, medical and other expenses incident to, or resulting from, any transplant of any Covered Individual, including expenses incurred in any post-transplant treatment and in any complications arising from the transplant at any time, shall be limited to the following aggregate amounts:

<u>Transplant</u>	<u>Surgical and Follow-up Benefits (Note)</u>
Heart	\$350,000
Lung	300,000
Liver	275,000
Pancreas	175,000
Kidney	125,000
Bone Marrow- Autologous	200,000
Allogeneic Related	300,000

(Note) Surgical Benefits include hospital and related facility charges, physician professional fees, ancillary charges and all related expenses associated with the surgical transplant procedure. Organ procurement expenses are included, to the extent they are covered.

Follow-Up Benefits include all professional fees, hospital and related facility charges, prescription drugs, ancillary charges and all expenses which result directly from the transplant procedure and which are incurred after discharge from the hospital stay during which the transplant occurred. Subsequent hospitalizations and outpatient costs resulting directly from the transplant are included in follow-up costs. The above-referenced limitations on Follow-Up Benefits are applicable only to the 12-month period that begins on the date of the transplant.

The Fund is not responsible for any expense of any other type of transplant, or for any expense incident to a transplant of an animal organ or a mechanical device to replace a natural human organ.

The benefit payments for human organ transplants under this Plan will not be subject to the overall benefit plan limit.

4.17 LIMITATION ON PAYMENT FOR INFERTILITY TREATMENT AND SERVING AS A SURROGATE MOTHER

The Plan shall not pay for any charge incurred in connection with the treatment of infertility. This limitation includes but is not limited to:

- (a) Charges incurred in connection with in vitro fertilization;
- (b) Charges incurred in connection with artificial insemination;
- (c) Charges for Prescription Drugs designed to enhance the ability to conceive, used in connection with (a) and (b) above, including but not limited to Clomid, Milophene, Metrodin, Lutrepulse, Pergonal and human chorionic gonadotropin in any form; and

The Plan shall not pay any charge incurred in connection with serving as a Surrogate Mother (even if the Covered Individual has provided the ovum).

4.18 LIMITATION ON PAYMENT FOR CHARGES FOR WHICH THE COVERED INDIVIDUAL IS NOT RESPONSIBLE TO PAY

A Covered Individual shall not be entitled to payment for any charge incurred for any Standard Medical Care, Treatment, Services or Supplies if the medical service provider has waived any co-payments due from the Covered Individual or has otherwise relieved the Covered Individual from an obligation to pay for the care, treatment, services or supplies or agrees to accept as full payment whatever amount is payable under this Plan.

In no event will the Fund pay for any care, treatment, services or supplies which have been represented by the person supplying those examinations, services or supplies to be free to the Covered Individual.

4.19 LIMITATION ON PAYMENT OF CLAIMS FOR SERVICES BY PROVIDERS NOT IN A PREFERRED PROVIDER ORGANIZATION NETWORK

- (a) Benefits otherwise payable shall be reduced by 10% if there exists a TeamCare network covering the Covered Participant; and
- (b) The charges were incurred by the Covered Participant or Covered Dependent through non-emergency use of Hospitals, Physicians or ancillary providers outside of the TeamCare network.

ARTICLE V. COORDINATION OF BENEFITS

5.01 PRIORITY OF COVERAGE WHERE COVERED INDIVIDUAL IS COVERED BY ANOTHER PLAN

An Other Plan providing no fault, personal injury protection or financial responsibility motor vehicle insurance coverage or benefits shall always have primary responsibility. If the benefits of this Plan duplicate or overlap with benefits for hospital, surgical, dental, psychiatric, chiropractic or other medical treatment provided by an Other Plan, such duplication or overlapping shall be avoided. In this regard, primary responsibility for providing benefits shall be determined in the following order:

- (a) A Plan that does not contain a coordination of benefits provision is always primary.
- (b) A Plan that covers the person other than as a dependent is the primary Plan and the Plan that covers the person as a dependent is the secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent then the order of benefits between the two Plans is reversed so that the Plan covering the person other than as a dependent is the secondary Plan and the other Plan is the primary Plan.
- (c) Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (i) The Plan of the parent whose birthday falls earlier in the calendar year is the primary Plan; or
 - (ii) If both parents have the same birthday, the Plan that has covered the parent the longest is the primary Plan.
 - (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Plan years commencing after the Plan is given notice of the court decree; or
 - (ii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph (c)(1) above shall determine the order of benefits; or
 - (iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care

expenses or health care coverage of the dependent child, the provisions of Subparagraph (c)(1) above shall determine the order of benefits; or

- (iv) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - The Plan covering the Custodial parent;
 - The Plan covering the spouse of the Custodial parent;
 - The Plan covering the non-custodial parent; and then
 - The Plan covering the spouse of the non-custodial parent.
- (3) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (c)(1) or (c)(2) above shall determine the order of benefits as if those individuals were the parents of the child.
- (d) The Plan that covers a person as an active employee is the primary Plan. The Plan covering that same person as a retired or laid-off employee is the secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled (b) can determine the order of benefits.
- (e) If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the primary Plan and the COBRA or state or other federal continuation coverage is the secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled (b) can determine the order of benefits.
- (f) The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the primary Plan and the Plan that covered the person the shorter period of time is the secondary Plan.
- (g) If there is coverage provided by a governmental program, that coverage shall have primary responsibility unless prohibited by federal law.
- (h) If both the husband and wife (or both Qualified Same-Sex Domestic Partners) are Covered Participants of this Plan or another Central States Plan, this Plan will be considered an Other Plan.
- (i) If the preceding rules do not determine the order of benefits, the Allowable expenses shall be shared equally between the Plans meeting the definition of Plan.

5.02 EFFECT OF PRIORITY RULES ON AMOUNT OF PAYMENTS UNDER THE PLAN

Whenever this Plan is determined to have primary responsibility, the Covered Individual shall receive benefits without regard to coverage under the Other Plan. Whenever this Plan is determined not to have primary responsibility, this Plan shall pay, after the Other Plan has paid its maximum allowable benefits, any remaining Covered Charges up to the amount this Plan would have paid if this Plan had primary responsibility and without the payments from the Other Plan being taken into account in applying the specific benefit maximums indicated in this Plan. As used in this section, the term "Covered Charges" means charges by a provider that a Covered Individual is responsible to pay the provider and that entitle a Covered Individual to benefits under the Plan. Covered Charges shall not include payments for charges for which the Covered Individual is not responsible to pay as enumerated in Section 4.18, regardless of whether this Plan is the primary or secondary provider. Maximum allowable benefits will always be construed under this section to mean the amount payable by the Other Plan without regard to coverage under this Plan; that is, the Other Plan's maximum allowable benefits will be computed as if there were no coverage under this Plan.

5.03 RECOVERY OF PAYMENTS

Whenever this Plan has made benefit payments which exceed the amount of benefits payable under the terms of this Plan or which an Other Plan was required to make under Section 5.01, the Fund shall have the right to recover the amount of such payments from any persons receiving such payments or from any Other Plans having primary responsibility for the payment of benefits. The Trustees are authorized to file suit on behalf of the Fund to recover any such payments or to seek a judicial declaration that an Other Plan has primary responsibility for the payment of benefits.

Further, where the Plan has made benefit payments which exceed the amount of benefits payable under the terms of this Plan, and those payments were required to be made by an Other Plan under Section 5.01 (so that the Plan's payment of the Other Plan's obligation has unjustly enriched the Other Plan), the Other Plan shall be liable to make equitable restitution to the Plan, and/or for other appropriate equitable relief to the Plan, in order to enforce the terms of the Plan Document in the amount of benefit payments that were paid by the Plan, but should have been paid by the Other Plan.

5.04 PAYMENTS TO OTHER PLANS

Whenever payments should have been made by this Plan pursuant to the provisions of Article V, but are made by an Other Plan, the Fund shall have the right to pay over to such Other Plan any amounts this Plan should have paid under the provisions of Article V.

5.05 NO FAULT, PERSONAL INJURY PROTECTION OR FINANCIAL RESPONSIBILITY MOTOR VEHICLE INSURANCE COVERAGE

Benefits under no fault, personal injury protection or financial responsibility motor vehicle insurance coverage, as described in Section 1.34(f), shall be primary to benefits under this Plan notwithstanding state or local law or regulation to the contrary. In the event an Other Plan, as described in Section 1.34(f), fails or refuses to assume primary responsibility for the payment of benefits, the Fund may provide the Covered Individual with benefits under this Plan. Such benefits

shall be provided under a reservation of rights and without prejudice to the Fund's right to recover the amount of such benefits from the Other Plan.

A Covered Individual shall cooperate with the Fund in any attempt to recover the amount of benefits paid under a reservation of rights pursuant to this Section. Upon request by the Fund, the Covered Individual shall execute an assignment of rights and any other documents the Fund deems necessary to effect a recovery of the amount of benefits paid under such reservation of rights. A Covered Individual shall do nothing to prejudice the Fund's rights under Article V and is not authorized to subordinate no fault, personal injury protection, financial responsibility or medical reimbursement benefits to benefits under this Plan.

5.06 COORDINATION OF BENEFITS WITH AN HMO

When a Covered Individual has primary coverage through an Other Plan, such as an HMO, this Plan will coordinate benefits as described in Section 5.01 provided the Covered Individual is utilizing the HMO network of Hospitals, Physicians and ancillary providers. If the Covered Individual is denied benefits by the HMO for using out of network providers or not obtaining proper referrals or authorization, this Plan will deny benefits.

ARTICLE VI. AMENDMENTS AND PLAN TERMINATION

6.01 PROCEDURE FOR AMENDING THE PLAN

This Plan may be amended, from time to time, by majority vote of the Trustees. A copy of each amendment of this Plan shall be adopted and filed by the Trustees as part of the records and minutes of the Trustees, and one copy thereof shall be distributed to each of the parties signatory to the Trust Agreement.

6.02 TERMINATION OF THE PLAN

This Plan shall be maintained and operated in full force and effect until the occurrence of any of the following events, in which case the Plan shall be terminated:

- (a) The Trust Fund, in the opinion of the Trustees, shall be inadequate to effectuate the intent and purposes of the Trust Agreement.
- (b) The Trust Fund, in the opinion of the Trustees, shall be inadequate to meet payments due, or to become due, to persons already drawing benefits.
- (c) There are no individuals living who can qualify as Covered Participants as defined in Article I of this Plan.
- (d) This Plan, in the opinion of the Trustees, shall be a clear and present impediment to effectuating the principal intent and purposes of the Trust Agreement.

In the event of termination, the Trust Fund shall be distributed by the Trustees in accordance with any plan which conforms to the intent and purposes of the Trust Agreement and the "Employee Retirement Income Security Act of 1974".

ARTICLE VII. PLAN ADMINISTRATION

7.01 TRUSTEE STATUS AS “NAMED FIDUCIARY”

Each Trustee by reason of his position is a “named fiduciary” of this Plan within the meaning of the “Employee Retirement Income Security Act of 1974”.

7.02 POWERS OF THE TRUSTEES

The Trustees shall have authority to jointly control and manage the operation and administration of the Fund and of this Plan, in accordance with the terms of the Trust Agreement and of this Plan, including the authority to allocate fiduciary responsibilities among the Trustees and the authority to designate persons other than Trustees to carry out fiduciary responsibilities in the administration of the Fund and this Plan, except that the Trustees may allocate only to a committee of Trustees or one (1) or more “investment managers” (as defined by the “Employee Retirement Income Security Act of 1974”) to administer investment and other responsibilities relating to assets of the Fund. All questions or controversies, of whatsoever character, arising in any manner or between any parties or persons in connection with any claim for any benefits preferred by any participant, beneficiary, or any other person, or whether as to the construction of the language or meaning of the rules and regulations contained in this Plan, shall be submitted to the Trustees, or to a committee of the Trustees, and the decision of the Trustees or of such committee thereof shall be binding upon all persons dealing with the Fund or claiming any benefit under the terms of this Plan.

7.03 DECISIONS OF TRUSTEES

All decisions by the Trustees, including all rules and regulations adopted by the Trustees, all amendments of the Trust Agreement and this Plan by the Trustees and all interpretations by the Trustees of any of said documents shall be binding upon all parties to the Trust Agreement, the union, each Employer, all individuals claiming benefits pursuant to this Plan or any amendment thereof and all other individuals engaging in any transaction with the Fund. The Trustees are vested with discretionary and final authority in making all such decisions, including Trustee decisions upon claims for benefits by Covered Participants, Covered Dependents and other claimants, and including Trustee decisions interpreting plan documents of the Fund.

7.04 EFFECT OF ANY MISREPRESENTATION WITH RESPECT TO CLAIMS

Any misrepresentation in any claim or document submitted by a claimant to the Fund shall constitute grounds for rejection of the claim, for the denial of any requested benefits, and for the recovery by the Fund of all benefit payments made in reliance upon said misrepresentation.

7.05 PAYMENTS TO PERSONS WHO HAVE FAILED TO INFORM THE TRUSTEES OF A CHANGE OF ADDRESS

If any person who is entitled to receive payment of benefits, in accordance with this Plan, fails to inform the Trustees in writing and by registered mail of a change of address, and if the Trustees are unable to communicate with such person at the address last recorded by the Fund, and if a letter sent

by registered mail from the Fund to such person is returned because it is not deliverable, all payments due such person shall be held without interest until a claim has been received and approved by the Trustees.

7.06 INFORMATION CONCERNING COVERED INDIVIDUALS

For purposes of implementing the terms of the Plan, the Fund may, without notice to or consent of any Covered Individual, obtain from any person or entity such information concerning the Covered Individual as the Fund deems necessary. Any person claiming benefits under the Plan shall furnish the Fund with such information as the Fund deems necessary to implement the Plan. When any claim for benefits under the terms of this Plan is submitted by a Covered Individual or any medical service provider that provided care, treatment, services or supplies to a Covered Individual then, the furnishing of such claim shall act as a release by the Covered Individual to any medical service provider to allow the Fund, without further notice or consent of any Covered Individual, to obtain any medical records of the Covered Individual from any medical service provider whose claims for treatment of the Covered Individual are submitted for payment.

Failure on the part of any Covered Individual or medical service provider that provided Standard Medical Care, Services, Treatment or Supplies to any Covered Individual to supply or furnish any information requested by the Fund or its agent may result in the rejection of a claim for benefits and/or the recoupment of previously paid benefits.

7.07 USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION

The Plan may make any use and disclosure of Protected Health Information to the extent of and in accordance with the uses and disclosures permitted or required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) as amended.

Protected Health Information concerning employees of the Fund (including, for purposes of this section 7.07, all former employees of the Fund) may be disclosed to other employees of the Fund to carry out plan administration functions as set forth in this section. The Fund may make any use and disclosure of Protected Health Information concerning employees of the Fund that are required or permitted by law. Protected Health Information concerning employees of the Fund may only be disclosed to other employees of the Fund after the Trustees of the Fund have certified that the Plan document has been amended to incorporate all provisions required by law.

The Trustees agree and hereby certify that:

- (a) Protected Health Information concerning employees of the Fund shall not be used or disclosed other than as permitted or required by the Plan documents or as required by law;
- (b) Protected Health Information concerning employees of the Fund shall not be used or disclosed to any agents, including a subcontractor, to whom the Fund provides Protected Health Information concerning the employees of the Fund until such agents agree to the same restrictions and conditions that apply to the Plan sponsor with respect to such information;

- (c) Protected Health Information shall not be used or disclosed for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Plan sponsor without a valid authorization;
- (d) Any use or disclosure of such information that is inconsistent with the uses or disclosures permitted by the plan shall be reported to the Fund's Privacy Officer;
- (e) Protected Health Information concerning the employees of the Fund will be made available in accordance with 45 C.F.R. Section 164.524;
- (f) Protected Health Information concerning the employees of the Fund will be made available for amendment in accordance with 45 C.F.R. Section 164.526;
- (g) Any and all Protected Health Information concerning employees of the Fund will be made available to provide an accounting of disclosures in accordance with 45 C.F.R. Section 164.528;
- (h) The internal practices, books, and records relating to the use and disclosure of Protected Health Information relating to employees of the Fund that was received from the Plan will be made available to the secretary of Health and Human Services for purposes of determining compliance by the Plan with the privacy rule;
- (i) That any and all Protected Health Information concerning employees of the Fund received from the Plan will, if feasible, be returned or destroyed and no copies of such information will be retained when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, any further use or disclosure of such information will be limited to the purposes that make the return or destruction of the information infeasible.

The Plan sponsor will insure that adequate separation between the Plan and the Plan sponsor will be established in accordance with the Privacy Rule. To insure that adequate separation between the Plan and the Plan sponsor exists, access to the Protected Health Information of the employees of the Fund will be limited to the following classes of employees: (1) Manager of Human Resources Information Systems; (2) Benefits Coordinator; and (3) Human Resources Generalist. The access to, and use by, such classes of employees shall be limited to the plan administration functions that these employees perform for the Plan. In order to provide an effective mechanism for resolving any issues of non-compliance by such employees with the Plan document provisions set forth herein, all such employees shall be expressly subject to all of the Fund's Privacy Policies and Procedures. In no event shall Protected Health Information concerning employees of the Fund be used for the purpose of employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan sponsor.

7.08 SAFEGUARDS FOR PROTECTED HEALTH INFORMATION

The Trustees will implement administrative, physical and technological safeguards to reasonably and appropriately protect the confidentiality, integrity and availability of the electronic Protected Health Information that they create, receive, maintain or transmit on behalf of the Plan.

The Trustees will ensure that the "adequate separation" required by the Privacy Rule and by Section 7.07 of the Plan is supported by reasonable and appropriate security measures.

The Trustees will ensure that any agent, including a subcontractor, to whom they provide Protected Health Information agrees to implement reasonable and appropriate security measures to protect the Protected Health Information.

The Plan sponsor will report to the Plan any security incident (within the meaning of 45 C.F.R. § 164.304) of which it becomes aware.

ARTICLE VIII. BENEFIT CLAIMS

8.01 CLAIMS TO BE SUBMITTED IN WRITING ON AUTHORIZED FORMS

Claims for benefits shall be submitted electronically or in writing, within the time limits specified in Section 10.03, in a method or form authorized by the Fund.

8.02 PROCESSING CLAIMS INVOLVING URGENT CARE

- (a) The Fund, upon its receipt of a claim involving urgent care (as defined in Section 8.02[c]), shall notify the claimant of the Fund's benefit determination (whether adverse or not) as soon as possible, taking into account the medical exigencies, but not later than 72 hours after the Fund receives the claim unless the claimant fails to provide sufficient information to determine whether and/or to what extent benefits are covered or payable in accordance with this Plan. If the claimant fails to provide such sufficient information, the Fund shall notify the claimant as soon as possible, but not later than 24 hours after the Fund receives the claim, of the specific information necessary to complete the claim. The claimant shall then be afforded a reasonable amount of time, taking into account the circumstances, but not less than 48 hours, to provide the specified information, and the Fund shall thereafter notify the claimant of the Fund's benefit determination as soon as possible, but in no case later than 48 hours after the earlier of:
 - (1) the Fund's receipt of the specified information;
 - (2) the end of the period afforded the claimant to provide the specified additional information.
- (b) Notice of any adverse benefit determination pursuant to this Section 8.02 shall be provided in accordance with Section 8.04.
- (c) A "claim involving urgent care" is any claim for medical care or treatment with respect to which the application of the time periods for making non-urgent care determinations (as those periods are specified in Section 8.03):
 - (1) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function; or
 - (2) would, in the opinion of a physician with knowledge of the claimant's medical condition, subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Any claim that a Physician with knowledge of the claimant's medical condition determines is a "claim involving urgent care" shall be treated by the Fund as a "claim involving urgent care". In the absence of such a Physician's determination, any question whether or not a claim is a "claim involving urgent care" is to be determined by an individual acting on behalf of the Fund and applying the judgment of a prudent layperson who has average knowledge of health and medicine.

8.03 PROCESSING CLAIMS FOR BENEFITS (OTHER THAN URGENT CARE CLAIMS)

- (a) The Fund, upon its receipt of a claim that is neither a claim involving urgent care nor a claim involving a benefit described in Section 8.03(b) (which relates to benefits requiring the Fund's pre-approval), shall notify the claimant of the Fund's benefit determination (if it is an adverse benefit determination) within a reasonable period of time and not later than 30 days after the Fund receives the claim, provided that this period may be extended for an additional 15 days if the Fund both determines that such an extension is necessary due to matters beyond the control of the Fund and notifies the claimant, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which the Fund expects to render a decision. If such an extension is necessary due to a failure of the claimant to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information, and the claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.
- (b) The Fund, upon its receipt of a claim (not involving urgent care) for a benefit, the receipt of which is conditioned by this Plan upon required approval by the Fund in advance of obtaining the medical care, shall notify the claimant of the Fund's benefit determination (whether adverse or not) within a reasonable period of time appropriate to the medical circumstances but not later than 15 days after the Fund receives the claim, provided that this period may be extended for an additional 15 days if the Fund both determines that such an extension is necessary due to matters beyond the control of the Fund and notifies the claimant, prior to the expiration of the initial 15-day period, of the circumstances requiring the extension of time and the date by which the Fund expects to render a decision. If such an extension is necessary due to a failure of the claimant to submit the information necessary to decide the claim, the notice of extension shall specifically describe the required information, and the claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.
- (c) In the event that a time period for notice of any benefit determination by the Fund is extended pursuant to this Section 8.03 in order for the claimant to submit information necessary to decide the claim, the time period for making the benefit determination and providing related notice shall be tolled (i.e., not counted) from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.
- (d) Notice of any adverse benefit determination pursuant to this Section 8.03 shall be provided in accordance with Section 8.04.

8.04 NOTICE OF ADVERSE BENEFIT DETERMINATIONS

- (a) Whenever an adverse benefit determination (as defined in Section 8.04(c)) is made by the Fund, except upon a claim involving urgent care (in which instance Section 8.04(b) governs the notice), the Fund shall provide the claimant with written (or electronic) notice of the determination that shall include statements, in a manner calculated to be understood by the claimant, of the following:

- (1) the specific reason or reasons for each adverse benefit determination;
 - (2) references to the specific provisions of this Plan on which each adverse benefit determination is based;
 - (3) a description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary;
 - (4) a description of the Fund's appellate review procedures and the time limitations applicable to those procedures, including a statement of the claimant's right to bring a civil action pursuant to Section 502 of the Employee Retirement Income Security Act following an adverse benefit determination at the end of appellate review by the Fund;
 - (5) in the case of any adverse benefit determination,
 - (A) if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, either a statement of the contents of the specific rule, guideline, protocol or other criterion or a statement that the specific rule, guideline, protocol or other criterion will be provided free of charge to the claimant upon request; and
 - (B) if the adverse benefit determination is based on a medical necessity requirement or an experimental treatment exclusion or a similar exclusion or limitation, either an explanation of the scientific or clinical judgment for the determination, applying the terms of this Plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge to the claimant upon request; and
 - (6) in the case of any adverse benefit determination of a claim involving urgent care, a description of the expedited review process that is applicable to such claims.
- (b) Whenever an adverse benefit determination (as defined in Section 8.04(c)) is made by the Fund upon a claim involving urgent care, the Fund may provide the information described in Section 8.04(a) to the claimant by oral notification within the time limitations prescribed in Section 8.02(a), provided that written (or electronic) notice of the determination that includes the information described in Section 8.04(a) is also to be furnished to the claimant not later than 3 days after the oral notification.
- (c) An "adverse benefit determination" means any of the following: a denial, reduction or termination of, or a failure to provide or make payment (in whole or in part) or a recoupment for, a benefit, including any such denial, reduction, termination, recoupment or failure to provide or make payment that is based on a Plan exclusion of Coverage or a Plan limitation of Coverage as applied to a claim for benefits, or that is based on a determination relative to the question of a Covered Individual's or any other individual's eligibility for Coverage.

8.05 CONCURRENT CARE DECISIONS

- (a) If the Fund has approved an ongoing course of treatment to be provided over a period of time and/or to include a number of treatments, any reduction or termination by the Fund of such course of treatment (other than by plan amendment or termination) before the end of such period of time or number of treatments shall constitute an adverse benefit determination for all purposes of this Plan. In such an event, the Fund shall notify the claimant, in accordance with Section 8.04, of the adverse benefit determination at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal and to obtain a determination on review of that adverse benefit determination before the benefit is reduced or terminated.
- (b) Any request by a claimant to extend such an ongoing course of treatment, previously approved by the Fund, beyond the approved period of time or the approved number of treatments shall, if the course of treatment is a claim involving urgent care, be decided as soon as possible, taking into account the medical exigencies, and the Fund shall notify the claimant of the Fund's benefit determination (whether adverse or not) within 24 hours after receipt of the request by the Fund, provided that any such request is received by the Fund at least 24 hours prior to the expiration of the prescribed period of time or number of treatments.
- (c) Whenever an adverse benefit determination (as defined in Section 8.04[c]) is made by the Fund upon a request by a claimant to extend an ongoing course of treatment, previously approved by the Fund, beyond the approved period of time or the approved number of treatments, whether or not urgent care is involved, notice of the determination shall be provided in accordance with Section 8.04.

8.06 MISCELLANEOUS BENEFIT CLAIMS PROVISIONS

ARTICLE IX. APPELLATE REVIEW PROCEDURES AND DETERMINATIONS

9.01 PROCEDURES DURING APPELLATE REVIEW OF ADVERSE BENEFITS DETERMINATIONS

- (a) Whenever an adverse benefit determination (as defined in Section 8.04[c]) is made by the Fund, there are multiple available stages of appellate review of the determination, as follows:
 - (1) for any Trustee-Reviewable Determination, as defined in Section 9.02, there are two available stages of appellate review of that determination, the first of which is conducted by the Appeals Committee and the second of which is conducted by the Trustee Appellate Review Committee;
 - (2) for any adverse benefit determination upon a claim involving urgent care (as defined in Section 8.02[c]), there is a single stage of appellate review, which is conducted by the Appeals Committee; and
 - (3) for any other adverse benefit determination (“Other Determination”) that is neither a Trustee-Reviewable Determination nor an adverse benefit determination upon a claim involving urgent care, there are two available stages of appellate review of that determination, the first of which is conducted by the Staff Interim-Review Committee and the second of which is conducted by the Staff Final-Review Committee.

The Appeals Committee and the Staff Final-Review Committee each shall be composed of one or more employees of the Fund appointed as members of the committee by the Executive Director of the Fund, provided that the Executive Director retains the authority to terminate any such appointment at any time. The Staff Interim-Review Committee shall be composed of one or more employees of the Fund. If a claimant requests appellate review of multiple adverse benefit determinations, and they consist of both one or more Trustee-Reviewable Determinations and one or more Other Determinations, the Fund in its sole discretion may consolidate all of the determinations into the same appellate review (treating all determinations as Trustee-Reviewable Determinations).

- (b) All authority and responsibilities of the Board of Trustees with respect to appellate review of adverse benefit determinations is delegated to a committee of Trustees designated as the Trustee Appellate Review Committee.
- (c) The following procedures shall govern the operations of the Trustee Appellate Review Committee:
 - (1) a quorum of the Trustees at any meeting of the Trustee Appellate Review Committee, for the conduct of its business and for all benefit determinations on review by that committee, shall be at least one Employer Trustee and at least one Employee Trustee (all Trustee members of the Board of Trustees are and shall be *de facto* members of the Trustee Appellate Review Committee);

- (2) for each matter voted upon at any meeting of the Trustee Appellate Review Committee, the Employee Trustees and the Employer Trustees shall each have the same number of votes based upon the larger number (of Employee Trustees or Employer Trustees) in attendance, provided that each vote shall be cast as the vote of an individual Trustee and not as part of a block, and each determination by the Trustee Appellate Review Committee shall be based upon a majority vote of those present and voting;
 - (3) the meetings of the Trustee Appellate Review Committee shall be monthly according to a schedule approved by the Trustees;
 - (4) the Trustees who attend and participate in any meeting of the Trustee Appellate Review Committee shall be vested, relative to all appellate review of adverse benefit determinations, with all authority and responsibilities of the Board of Trustees established by the Fund's benefit plan documents, as heretofore and hereafter amended, including discretionary and final authority in making determinations during all such appellate review; and
 - (5) the records of monthly meetings of the Trustee Appellate Review Committee, and of its determinations during appellate review, shall be regularly kept and maintained with records of meetings of the Board of Trustees.

 - (2) the claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information possessed by the Fund and relevant to the claimant's claim for benefits;
 - (3) the appellate review shall take into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination;
 - (4) the appellate review shall not afford deference to the initial adverse benefit determination by the Fund and shall be conducted by one or more individuals each of whom shall be an appropriate named fiduciary of the Fund who is neither an individual who made the adverse benefit determination that is the subject of the review nor a subordinate of any such individual;
 - (5) the appellate review shall require that, in deciding an appeal of any adverse benefit determination that is based in whole or in part on a medical judgment, including any determination whether a particular treatment, drug

- or other item is experimental, investigational or not medically necessary or appropriate, the appropriate named fiduciary shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- (6) the appellate review shall require the identification to the claimant of any medical or vocational expert whose advice was obtained on behalf of the Fund in connection with the claimant's adverse benefit determination, whether or not the advice was relied upon in making that determination;
 - (7) the appellate review shall require that each health care professional engaged by the appropriate named fiduciary for purposes of a consultation during appellate review, pursuant to this Section 9.01, shall be an individual who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the review nor a subordinate of any such individual; and
 - (8) the appellate review in the case of a claim involving urgent care (as defined in Section 8.02[c]) shall require an expedited review process pursuant to which a request for an expedited appeal from an adverse benefit determination may be submitted orally or in writing by the claimant, and all necessary information, including the Fund's benefit determination on review, shall be transmitted between the Fund and the claimant by telephone, facsimile or other available and similarly expeditious method.

9.02 DEFINITION OF TRUSTEE-REVIEWABLE DETERMINATIONS

"Trustee-Reviewable Determinations" are defined to include any adverse benefit determination (as defined in Section 8.04[c]) which is within any of the following classifications (other than a *de minimis* determination which means a single or series of adverse benefit determinations upon monetary claims which involve potential aggregate Fund liability no greater than \$2,500: *de minimis* determinations shall be reviewed as Other Determinations):

All requests for appellate review shall be submitted to the Fund, electronically or in writing, in a method or form authorized by the Fund.
- (b) The Fund, upon its receipt of a claimant's timely request for appellate review of an earlier adverse benefit determination upon a claim involving urgent care (as defined in Section 8.02[c]), shall notify the claimant of the benefit determination by the Appeals Committee as soon as possible, taking into account the medical exigencies, but not later than 72 hours after the Fund receives the claimant's request for appellate review.
- (c) The Fund, upon its receipt of a claimant's timely request for appellate review of a Trustee-Reviewable Determination, shall perform and complete appellate review, and shall notify the claimant of the determinations upon completion of such review, in accordance with the following time limitations:

- (f) Notice of any adverse benefit determination pursuant to this Section 9.03 shall be provided in accordance with Section 9.04.

- (b) In the event that any time period for any appellate review by the Fund of an earlier adverse benefit determination, and of notice of the determinations upon completion of such review, is extended based upon a failure by the claimant to submit information necessary to decide the claim, each time period for the conduct and completion of such appellate review, and for making benefit determinations, and of providing notice of those determinations, relative to the claimant's claim, shall be tolled (i.e., not counted) from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.
- (c) Each individual who is authorized to conduct interim appellate review (as a member of the Appeals Committee or the Staff Interim-Review Committee) is vested with discretionary and final authority in making any determination within the scope of this Article IX, except that, upon further appellate review by the Trustee Appellate Review Committee or the Staff Final-Review Committee, the prior discretionary and final authority of the interim appellate-review agency is displaced by the discretionary and final authority of the final appellate-review agency (the Trustee Appellate Review Committee or the Staff Final-Review Committee), which shall not afford any deference to any determination by the interim appellate-review agency.
- (d) The Trustees are vested with discretionary and final authority in making any determination within the scope of this Article IX.

- (e) The burden of proof in demonstrating any fact essential to the approval of any claim for benefits, including eligibility for any claimed benefit and the extent to which a claimed benefit is covered or payable in accordance with this Plan, shall at all times be the responsibility of the claimant, provided that the Fund will at all times during appellate review of an adverse benefit determination provide to the claimant, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information possessed by the Fund and relevant to the claimant's claim for benefits.

- (f) It is a condition precedent to any civil action by a Covered Individual or other individual to recover benefits covered or payable in accordance with this Plan and/or to clarify the individual's rights to past, present or future benefits covered or payable in accordance with this Plan, including any civil action pursuant to Section 502 of the Employee Retirement Income Security Act, that the claimant or other individual files a benefit claim and initiates and actively pursues appellate review of any adverse benefit determination upon any claim, and secures all related benefit determinations by the Fund, in accordance with Articles VIII and IX of this Plan, prior to the commencement of any civil action.

ARTICLE X. MISCELLANEOUS PROVISIONS

10.01 VALIDITY OF CHANGES IN THE PLAN

No agent has authority to change the terms of this Plan or to waive any of its provisions. No change in this Plan shall be valid unless adopted by the Trustees of the Fund.

10.02 CLAIM FORMS

The Fund, upon written request of the claimant, will furnish to the claimant such forms as are required for filing a claim.

10.03 TIME WITHIN WHICH CERTAIN CLAIMS ARE TO BE FILED

A claim for any loss must be filed within one (1) year after the date of such loss.

10.04 RECOVERY OF EXCESS PAYMENTS

Whenever this Plan has made benefit payments which exceed the amount of benefits payable under the terms of this Plan, the Fund shall have the right to recover the excess payments from any responsible persons or entities, including the right to deduct the amount of excess payments from any subsequent payable benefits.

10.05 FUND MAY ORDER PHYSICAL EXAMINATION AND/OR AUTOPSY

The Fund shall have the right and opportunity to have a claimant examined by a medical service provider, of the Fund's choosing and at the Fund's expense, when, and so often as it may reasonably require during the pendency of a claim. In the case of death, the Fund shall also have the right to request an autopsy where it is not forbidden by law.

10.06 TO WHOM BENEFITS ARE PAYABLE

All benefits are payable to, or for the benefit of a Covered Individual or his estate, except as otherwise provided in this Plan.

Any provider of medical or healthcare services or goods receiving, or seeking to receive, payment from the Fund will, in the absence of evidence to the contrary, be presumed to have claimed a right to do so pursuant to a valid assignment of benefits under the Plan from a Covered Individual. Any such provider will accordingly be presumed to have presented a claim as a beneficiary under this Plan and will be bound by all provisions of this Plan, including but not limited to, the provisions relating to Amendments and Plan Termination (Article VI), Plan Administration (Article VII), Benefit Claims (Article VIII), Appellate Review Procedures and Determinations (Article IX), and Miscellaneous Provisions (Article X).

10.07 CERTAIN ACTS OF THE FUND DO NOT CONSTITUTE A WAIVER OF RIGHTS

The furnishing of forms by the Fund for filing a claim for benefits, or the acceptance of such filings or the investigation of any claim hereunder, shall not operate as a waiver of any rights of the Fund.

10.08 NO MEDICAL EXAMINATION REQUIRED AS PREREQUISITE TO COVERAGE

In no case shall any individual be required to submit to a medical examination as a prerequisite to Coverage under this Plan.

10.09 ALL BENEFIT PAYMENTS BASED ON REASONABLE AND CUSTOMARY CHARGES FOR THE SERVICE

In all instances, other than when a specific dollar amount is the stated allowance, benefits to be paid by the Fund will be based upon a charge which is the usual, Reasonable and Customary charge for the treatment, supply or service, determined by comparison with the charges customarily made for similar treatments, supplies or services to individuals with similar medical conditions within a given geographical area.

10.10 PERIOD DURING WHICH BENEFIT PAYMENTS MUST BE CLAIMED

Any benefit amounts payable under this Plan must be claimed by the proper beneficiaries within a period of six (6) years from the date that such amounts become due and payable to such beneficiaries. Benefits unclaimed after this six (6) year period shall be considered the property of the Fund which shall have the immediate right to recover the amount of any unclaimed benefits from any person in possession of said benefit amounts or from any Other Plans having primary responsibility for payment of such benefits.

10.11 APPLICABLE LAW

The Trust Agreement was created and accepted in the State of Illinois. All questions pertaining to the validity or construction of the Trust Agreement shall be determined in accordance with the laws of the State of Illinois.

The Fund is a self-funded employee benefit plan governed by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), 29 U.S.C. § 1001 et seq. All questions concerning the validity of the terms of the Plan shall be determined under ERISA. Any state law that relates to the operation or administration of the Plan is preempted by ERISA and this Plan. The Fund shall be entitled to assert a lien against third parties, insurers and attorneys when necessary to protect the rights of the beneficiaries of the Plan or when necessary to protect the Fund's rights to recover any reimbursements provided for by the terms of this Plan.

10.12 SEVERABILITY OF PLAN PROVISIONS

Should any provision of this Plan be held null and void by a court of competent jurisdiction, such holding shall not adversely affect any other provision of this Plan.

10.13 RIGHT TO REVIEW ALL CLAIMS

The Fund reserves the right to question any charge or procedure and to have the same professionally reviewed to determine if it is covered under the Plan. The results of said professional review shall not be binding on the Trustees.

10.14 SUBROGATION

- (a) The Fund, whenever it makes any payment for any benefits on behalf of a Covered Individual or other person related to any illness, injury or disability (collectively and separately "Disability") of the person, is immediately subrogated, and vested with subrogation rights ("Subrogation Rights"), to all present and future rights of recovery ("Loss Recovery Rights") arising out of the Disability which that person and his/her parents, heirs, guardians, executors, attorneys, agents and other representatives (individually and collectively called the "Covered Individuals") may have. The Fund's Subrogation Rights extend to all Loss Recovery Rights of the Covered Individual. The Loss Recovery Rights of the Covered Individual include, without limitation, all rights based upon any one or more of the following:
- (1) Any act or omission by any person or entity, including the Covered Individual; and/or
 - (2) Any policy, contract, plan or other document creating responsibility for any insurance, indemnity or reimbursement (collectively "insurance") including but not limited to every document within the definition of "Other Plan" in Section 1.34 and also including every other form of no-fault liability insurance, personal-injury-protection insurance, financial responsibility insurance, uninsured and/or underinsured motorist insurance and any casualty liability insurance or medical payments coverage including, but not limited to, homeowners or premises insurance, school insurance, workers' compensation insurance, athletic team insurance and any other specific risk insurance or coverage; and/or
 - (3) Any medical reimbursement insurance; and/or
 - (4) Any government-funded or government-sponsored financial entity which may be a source of payment or reimbursement of Loss Recovery Rights to a Covered Individual.
- (b) The Covered Individual shall fully cooperate with the Fund in enforcement of the Fund's Subrogation Rights, shall make prompt, full, accurate and continuous disclosures to the Fund's representatives of all information about all circumstances of his/her Disability and about all other specifics of his/her Loss Recovery Rights (including prompt, full, accurate and continuous disclosures of the specifics of applicable insurance and all other potential sources of recovery), shall upon request by a Fund representative execute whatever documents are appropriate to enforce and preserve the Fund's Subrogation Rights, shall perform whatever acts are requested by a Fund representative to enable the Fund to effectively prosecute a civil action in the name of the Covered Individual and/or the Fund and one or more Trustees if the Fund deems such action necessary or appropriate and shall

refrain from any act or omission that would to any extent prejudice or impair the Fund's Subrogation Rights or seek to prejudice or impair the Fund's Subrogation Rights .

- (c) The payment by the Fund for any benefits on behalf of a Covered Individual related to his/her Disability, and the simultaneous creation of the Fund's Subrogation Rights to the full extent of present and future payments, shall by itself (without any documentation from, or any act by, the Covered Individual) result in an immediate assignment to the Fund of all right, title and interest of the Covered Individual to and in any and all of his/her Loss Recovery Rights to the extent of such payments, and said payment by the Fund on behalf of a Covered Individual shall be deemed to constitute the Covered Individual's direction to his/her attorneys and other representatives to reimburse the full amount of the Fund's Subrogation Rights, from any settlement proceeds or other proceeds (collectively "Proceeds") which are paid to the attorneys or representatives for or on behalf of the Covered Individual, before the Covered Individual receives any Proceeds in full or partial satisfaction of his/her Loss Recovery Rights, and before any fees or expenses are paid, including attorneys' fees.
- (d) No Covered Individual (including his/her attorneys and other representatives) is authorized to act on behalf of the Fund with respect to the Fund's Subrogation Rights, or to receive any payment or reimbursement on behalf of the Fund or to release or impair the Fund's Subrogation Rights to any extent. The Fund is entitled to receive payment and reimbursement in the full amount of the Fund's Subrogation Rights before the Covered Individual receives Proceeds in full or partial satisfaction of his/her Loss Recovery Rights and before any fees or expenses are paid, including attorneys' fees. If the Fund is vested with Subrogation Rights pursuant to this Section 10.14, then, before the Covered Individual receives any Proceeds, the Covered Individual, and every person and entity that provides any recovery of Proceeds to or on behalf of a Covered Individual, are obligated to cause all such Proceeds to be paid primarily and directly to the Fund until the Fund has received full payment and reimbursement of the Fund's Subrogation Rights.
- (e) If at any time, either before or after the Fund becomes vested with Subrogation Rights pursuant to this Section 10.14, a Covered Individual 1) fails to cooperate in any way with the Fund in connection with the enforcement of its Subrogation Rights, 2) takes any action which impairs or prejudices the Fund's Subrogation Rights, 3) takes any action which seeks to or has a foreseeable consequence of impairing or prejudicing the Fund's Subrogation Rights, or 4) directly or indirectly receives any Proceeds as full or partial satisfaction of his/her Loss Recovery Rights, including arrangements for an annuity or other similar installment benefit plan, and including any payment or reimbursement of expenses (including attorneys' fees) incurred by or on behalf of the Covered Individual, without prior written approval of an authorized Fund representative, the Fund shall be vested with each of the following mutually independent rights:
 - (1) The right, at any time, to decline to make any payment for any benefits on behalf of the Covered Individual related to the Disability on which the Loss Recovery Rights were based; and

- (2) The right, at any time after the Fund becomes vested with Subrogation Rights, to decline to make any payment for any benefits on behalf of the Covered Individual and his/her Covered Dependents, related to any circumstance or condition for which the Fund otherwise has a Coverage obligation, until the amount of such unpaid Coverage is equal to the unrecovered amount of the Fund's Subrogation Rights;
 - (3) The right to recoup any payment made for any benefits on behalf of the Covered Individual related to the Disability on which the Loss Recovery Rights were based; and
 - (4) The right, at any time after the Fund becomes vested with Subrogation Rights, to prosecute a civil action against the Covered Individual and/or against any person and/or any other entity (including any insurance company) which the Fund claims to be responsible, in whole or in part, to provide payment or reimbursement to the Fund of the unrecovered amount of the Fund's Subrogation Rights.
- (f) The Fund may assert a lien, for recovery of the Fund's Subrogation Rights, against any person or entity. The fact that the Fund does not initially assert or invoke its Subrogation Rights until a time after a Covered Individual, acting without prior written approval of an authorized Fund representative, has made any settlement or other disposition of, or has received any Proceeds as full or partial satisfaction of, his/her Loss Recovery Rights, shall not relieve the Covered Individual of his/her obligation to reimburse the Fund in the full amount of the Fund's Subrogation Rights.
- (g) The Fund shall not be financially responsible for any expenses, including attorneys' fees, incurred by or on behalf of a Covered Individual in the enforcement of his/her Loss Recovery Rights, except to the extent such responsibility is formally accepted by written agreement of an authorized Fund representative.
- (h) The Fund is authorized but not required to bring civil actions in enforcement of the Fund's Subrogation Rights, including direct actions (as subrogee or otherwise) against any person, entity, or Responsible Person which the Fund claims to be responsible, in whole or in part, to provide payment or compensation or reimbursement to the Fund of the unrecovered amount of the Fund's Subrogation Rights, and including actions against any person, entity, or Responsible Person to enjoin any act or practice which violates any terms of the Plan, the Fund's Subrogation Rights and/or to obtain other appropriate equitable relief to redress such violations and/or to enforce the Fund's Subrogation Rights. A Responsible Person is any person or entity, including attorneys or other representatives of a Covered Individual in any claim for damages for a Disability suffered by the Covered Individual, resulting from any act or omission of another person or entity, and who receives any Proceeds, by way of settlement or award from said claim for damages. If such a civil action is filed by the Fund and the Fund prevails in any amount on any of its claims, all persons, entities and Responsible Person(s) against whom such action is filed shall jointly and severally be responsible for all costs and expenses, including attorneys' fees, incurred by the Fund in connection with or related to such civil action.

- (i) The Trustees are vested with discretionary and final authority in making decisions that interpret plan documents of the Fund that relate to subrogation. Any one or more Trustees and the Executive Director, and any other person authorized by the Trustees or the Executive Director, may, in his/her sole discretion, compromise or settle any Fund claim of Subrogation Rights.

- (j) Subsection (d) has long provided in part that “[t]he Fund is entitled to receive payment and reimbursement in the full amount of the Fund’s Subrogation Rights before the Covered Individual receives any settlement proceeds or other proceeds (collectively ‘Proceeds’) in full or partial satisfaction of his/her Loss Recovery Rights [and] all such Proceeds [are] to be paid primarily and directly to the Fund until the Fund has received full payment and reimbursement of the Fund’s Subrogation Rights’ (emphasis added). The Fund’s entitlement to full payment and reimbursement of its Subrogation Rights is absolute and unqualified, and is not to be reduced or impaired by the relationship of the gross or net amount of the Proceeds to the aggregate monetary damages sustained, or claimed to be sustained, by the Covered Individual in connection with the Disability related to his/her Loss Recovery Rights. The Fund’s Subrogation Rights are not in any way subordinate to or affected by any ‘make whole’ rule. Subsection (g) has long provided in part that, unless otherwise expressly agreed in a specific instance, “[t]he Fund shall not be financially responsible for any expenses, including attorneys’ fees, incurred by or on behalf of a Covered Individual in the enforcement of his/her Loss Recovery Rights. ...” The Fund’s Subrogation Rights are not in any way subordinate to or affected by any ‘common fund’ principle or factor – sometimes described as the equitable concept of a ‘common fund’ which governs the allocation of attorney’s fees in any case in which a lawyer hired by one party creates through his/her efforts a fund in which others are entitled to share as well – the acceptance of plan benefits from the Fund entirely subordinates the Loss Recovery Rights of the Covered Individual to the Subrogation Rights of the Fund (without any ‘common fund’ reduction or other reduction of those Subrogation Rights). Every payment and reimbursement to the Fund based upon its Subrogation Rights results in a monetary benefit to all of the Covered Individuals of the Fund. The Fund does maintain systematic procedures to ascertain the extent to which its Subrogation Rights should be compromised and not fully enforced in specific instances, and each Covered Individual is free to invoke the appeals procedures of this plan document in any instance in which he/she claims that the Fund’s application of its Subrogation Rights is unfair and/or unreasonable and/or unsatisfactory.

10.15 WORKERS’ COMPENSATION SUBROGATION

If any Covered Individual has a claim denied pursuant to Section 4.03 of this Plan and the Covered Individual’s claim for Workers’ Compensation benefits is denied by the Workers’ Compensation carrier, the Fund may enter into an agreement with the Covered Individual to provide benefits during the appeal of the denial. Such an agreement would be entitled “Agreement to Reimburse Central States Health and Welfare Fund” (“Agreement”).

The Fund will enter into such an Agreement subject to the following conditions:

- (a) The Covered Individual and his/her attorney provide proof that a claim is pending before the appropriate Compensation Commission or court;
- (b) The Covered Individual and his/her attorney agree to pursue the claim for Workers' Compensation benefits to a final disposition;
- (c) The Covered Individual and his/her attorney agree to notify the Fund of the disposition of his claim and to notify the Workers' Compensation carrier of the Agreement;
- (d) The Covered Individual and his/her attorney establish sufficient need for the Fund to consider application of this section; and
- (e) The Covered Individual and his/her attorney agree to fully reimburse the Fund for benefits paid from the proceeds of any recovery.

The Agreement described in this section is a binding contract between the Covered Individual, his/her attorney and the Fund, and in the event the Covered Individual and/or his/her attorney does not honor this Agreement, the Fund reserves the right to take any necessary step to protect its interest, including a civil action in enforcement of the Fund's rights under this Section, against the Covered Individual, his/her attorney and/or any other person, entity, or Responsible Person which are obligated under this Section to reimburse the Fund.

10.16 RIGHT TO PROVIDE ALTERNATIVE CARE

- (b) Any failure of a Covered Participant to comply with any disclosure obligation described in subsection 10.18(c), or with any related disclosure request by the Fund, shall, if the Covered Participant has been or is engaged in any Reemployment, create a rebuttable presumption of an existing factual basis, in accordance with this subsection, for a permanent suspension of the Covered Individual's Coverage during all periods of the Covered Participant's Reemployment, provided that such presumption will become inoperative if and to the extent the presumption is rebutted by clear and convincing evidence or is otherwise shown to be unreasonable under the circumstances. Each such permanent suspension of Benefits shall apply not only to the Covered Individual but also to any other potential payee of any part of the Benefits, including a surviving Spouse or Qualified Same-Sex Domestic Partner. Each such permanent suspension of Benefits shall continue in effect until the Fund has received what it determines to be both notice and clear and convincing evidence that the basis for the permanent suspension is no longer applicable, at which time the suspension

will be ended and the Benefits will be resumed on a prospective basis only (without any restoration of Benefits for the period prior to that end of the suspension), subject to possible recoupment pursuant to subsection 10.18(f).

- (c) Every Covered Participant is obliged, as a prerequisite to any receipt of Benefits, to keep the Fund fully and promptly informed of any employment or any other performance of services in which he was or is engaged during any time period for which he claims or has received Benefits. The Fund may at any time, and as often as is reasonable, require appropriate signed authorizations by any Covered Participant to provide the Fund with access to all information about his past and present circumstances of any employment or any other performance of services, including but not limited to all records of any employers and of the Social Security Administration. The Fund may also at any time, and as often as is reasonable, require appropriate certifications signed by any Covered Participant, and/or appropriate signed responses by any Covered Participant to any requests from the Fund, that relate to a determination whether or not he has been and/or is engaged in Reemployment or restricted Reemployment. Any failure of a Covered Participant to comply with any disclosure obligation described in this subsection (c), or with any related disclosure request by the Fund, shall itself be independent grounds for temporary suspension of the Benefits of the Covered Individual until the Covered Participant complies with his disclosure obligations and/or such request to the satisfaction of the Fund, at which point his Benefits will be resumed (including full restoration of all Benefits that had been temporarily suspended) unless there is then in effect a permanent suspension of his Benefits in accordance with subsection (a). At the time of any temporary suspension of Benefits in accordance with this subsection (c), the Fund shall provide written notice of the suspension to the Covered Participant by first-class mail directed to his last known address on any date prior to the initial effective date of the suspension, and the notice shall describe the specific reasons for the suspension and its initial effective date, and shall inform the Covered Participant of his right to appeal pursuant to subsection (e).
- (d) At the time of any permanent suspension of Benefits in accordance with subsection (a), the Fund shall provide written notice of the suspension to the Covered Participant by first-class mail directed to his last known address on any date prior to the initial effective date of the suspension. The notice shall describe the specifics of the Reemployment (including, if applicable, restricted Reemployment) on which the suspension is based, the dates of the Reemployment, the initial effective date of the suspension and the right of the Fund to restitution (pursuant to subsection [f]) including recoupment from post-suspension Benefits, and the notice shall also inform the Covered Participant of his right to appeal pursuant to subsection (e).
- (e) The Benefit Claims and Appellate Review Procedures and Determinations of Articles VIII and IX of this Plan shall be applicable to all written requests by a Covered Participant for review of a permanent suspension or a temporary suspension of his Benefits in accordance with subsection (a) or subsection (b), and for review of a status determination in accordance with subsection (g), except that the initial stage of such review shall be conducted by the Benefits Claim Appeals Committee and the second stage (if any) of such review shall be conducted by the Board of Trustees, provided that the Covered Participant must

exhaust both stages of review prior to commencement of any legal action with respect to any suspension of his Benefits or any status determination.

- (f) The Fund is entitled to restitution of all Benefits paid to or on behalf of a Covered Individual for any period which is determined by the Fund to be a period of Reemployment (including, if applicable, restricted Reemployment) for which the Covered Individual was not entitled to receive such payments. The Fund may obtain that restitution by recoupment from any future Benefits to which the Covered Individual may be entitled for periods after the end of a suspension. The Fund may also obtain that restitution by any other available remedy at law or at equity.
- (g) Every Covered Participant is entitled to submit a written request to the Fund at any time for a determination whether or not specific employment or other specific services constitute Reemployment or restricted Reemployment. Upon receipt of any such request, the Fund shall promptly make a determination whether or not the specific employment or other specific services constitute Reemployment or restricted Reemployment, and shall promptly provide notice of that status determination to the Covered Participant by first-class mail directed to his last known address, which notice shall also inform the Covered Participant of his right to appeal pursuant to subsection (e).

10.19 MEDICARE ADVANTAGE PLAN

The Fund provides for a Medicare Advantage Plan (“TeamCare Advantage”) available to eligible Covered Individuals for specified time periods, as described in this section.

- (a) TeamCare Advantage is initially administered by Humana Inc. (“Humana”) or an affiliate of Humana in accordance with an agreement between Humana and the Fund effective August 1, 2008. The Trustees are authorized to modify or terminate the Fund’s contractual arrangements with Humana at any time.
- (b) Eligibility for TeamCare Advantage is available and limited to each Covered Participant (and to his/her eligible Spouse or Qualified Same-Sex Domestic Partner) whose Date of Retirement is after July 31, 2008, and who on his/her Date of Retirement (1) has Coverage by the Active Fund, as an Active Plan Covered Participant, based on Plan C6 contributions (excluding contributions based on employment by United Parcel Service [“UPS”]), and (2) is then 63 years of age or older, and (3) on that Date of Retirement (excluding contributions from UPS) qualifies for Coverage as a Covered Participant in accordance with Article III of this Plan (or would so qualify except that he/she is then 65 years of age or older), and (4) is then eligible to receive a retirement or disability pension benefit from the Pension Fund. Each individual who satisfies (1), (2), (3) and (4) in the preceding sentence is classified as a Covered Participant for all purposes of this Section 10.19 even if he/she is 65 years of age or older on his/her Date of Retirement.
- (c) TeamCare Advantage, administered by Humana, combines Medicare Part A (hospital), Part B (other medical services) and Part D (prescription drug) in one package of benefits. Once the Participant is eligible for Medicare Part A (hospital) and Part B (other medical services), all healthcare claims, including prescription

drug claims, will be submitted by medical providers directly to TeamCare Advantage (Humana). No claims need to be filed or coordinated with Medicare. Each eligible Participant and Spouse or Qualified Same-Sex Domestic Partner will be responsible for Medicare Part B payments and for benefit-related co-insurance and co-payments. TeamCare Advantage allows the selection of any doctor, hospital and medical provider that accepts Medicare and agrees to accept the terms of TeamCare Advantage.

- (d) The Fund does not participate to any extent in, and is not responsible for, any administration of TeamCare Advantage. The Fund will pay the applicable TeamCare Advantage premiums to Humana on behalf of each eligible Covered Participant who elects TeamCare Advantage (and his/her eligible Spouse or Qualified Same-Sex Domestic Partner), for a period based on the Participant's age at his/her Date of Retirement, to the following extent:
- (1) if age 63 on Date of Retirement, for a 2-year period beginning on the Participant's 65th birthday (or on post-retirement date of earlier Medicare entitlement on or after 63rd birthday);
 - (2) if age 64 on Date of Retirement, for a 4-year period beginning on the Participant's 65th birthday (or on post-retirement date of earlier Medicare entitlement on or after 64th birthday); and
 - (3) if age 65 or older on Date of Retirement, for a 6-year period beginning on the Participant's Date of Retirement.

The Fund will pay the applicable TeamCare Advantage premiums to Humana on behalf of the eligible Spouse or Qualified Same-Sex Domestic Partner of an eligible Covered Participant who elects TeamCare Advantage, for a period **beginning** on the **later** of (i) the first day of the premium payments applicable to the Covered Participant in accordance with the preceding sentence or (ii) the earlier of the Spouse's or Qualified Same-Sex Domestic Partner's 65th birthday or early Medicare entitlement date and **ending** on the final day of the premium payments applicable to the Covered Participant in accordance with the preceding sentence, **provided that** if the Covered Participant dies during that period (in which the Fund is making premium payments for both) the Fund will continue the premium payments for the surviving Spouse or Qualified Same-Sex Domestic Partner until the date the period would have ended if the Covered Participant were still alive on that date, or until the Spouse's or Qualified Same-Sex Domestic Partner's earlier remarriage or entry into a new or Qualified Same-Sex Domestic Partnership (or until, if earlier than the end of that post-death period, the expiration of a combined total of 3 years of the Spouse's or Qualified Same-Sex Domestic Partner's prior extended coverage based upon Section 3.08 and of TeamCare Advantage premiums paid by the Fund for the Spouse or Qualified Same-Sex Domestic Partner).

- (e) If any individual dies before his/her Date of Retirement and would have satisfied all TeamCare Advantage eligibility requirements described in (1), (2), (3) and (4) of subsection 10.19(b), *supra*, if his/her date of death had instead been his/her Date of Retirement, the eligibility of his/her surviving Spouse (or Qualified Same-Sex Domestic Partner) for TeamCare Advantage will be determined as if the

individual's date of death had instead been his/her Date of Retirement, **provided that** the Fund will pay the applicable TeamCare Advantage premiums to Humana on behalf of the eligible surviving Spouse or Qualified Same-Sex Domestic Partner for a period **beginning** on the **later** of (i) the deceased individual's date of death or (ii) the earlier of the Spouse's 65th birthday or early Medicare entitlement date and **ending** on the earlier of (1) the end of the entire period applicable to the deceased individual if his/her date of death had been his/her Date of Retirement, (ii) the Spouse's remarriage or entry into a new or Qualified Same-Sex Domestic Partnership or (iii) the expiration of 3 years of TeamCare Advantage premiums paid by the Fund for the Spouse.

- (f) The Trustees retain full authority to amend or terminate TeamCare Advantage at any time.

10.20 SPECIAL ARRANGEMENTS FOR BENEFITS

The Fund enters into agreements with providers from time to time in order to enhance benefits. These providers agree to special arrangements for Fund Participants who patronize them. The Fund separately publishes the details of these agreements. These agreements are, however, subject to change without prior notice.
