

2016 - SPECIAL BULLETIN – 2016- 3

DATE: JANUARY 26, 2016

TO: LOCAL UNIONS AFFECTED BY WATER CRISIS IN FLINT, MI

RE: HEALTH AND WELFARE BENEFITS

The Trustees are concerned about the devastating effect the water crisis has had on the people in the Flint, MI area, especially our TeamCare members. While state and local officials are continuing to work to make the water safe again, the Funds' Trustees would like to remind our members and retirees of the following TeamCare benefits available to stay healthy and safe during this crisis:

- **Wellness Exams** – Effective January 1, 2016, all Wellness exams, on both children and adults, are now covered in full at no-cost to the member when performed by a TeamCare PPO provider.
- **Lead Screenings** – Through the TeamCare LabCard benefit, any lead screening tests ordered by a TeamCare PPO provider and performed by Quest Diagnostics through the LabCard program will be covered at no-cost to the member.
- **Immunizations** - Any immunizations for both children and adults are covered in full at no-cost when performed by a TeamCare PPO provider or through Caremark Broader Vaccination Network pharmacies.

Members who need help with finding a TeamCare PPO provider or LabCard collection site can visit MyTeamCare.org or call TeamCare at 800-TEAMCARE (800-832-6227). In addition, to get more information on the Lead Advisory for Flint, MI, including where to get free water filters and test kits, please visit CityofFlint.com.

The Trustees' thoughts are with our members and retirees during this difficult time and we will continue to monitor the situation.

Sincerely,

BOARD OF TRUSTEES, CENTRAL STATES, SOUTHEAST
AND SOUTHWEST AREAS HEALTH AND WELFARE FUND, BY:

THOMAS C. NYHAN
EXECUTIVE DIRECTOR
